Meet Board Member Elizabeth Morgan!

Liz is a resident of Valley and works for the Department of Agriculture. Liz joined the Board in 2018 and currently co-chairs our Communications and Fundraising Committee. She joined the board as a new Colchester resident, as a way to meet new people and to start supporting and volunteering in the area she now calls home.

While her young son and husband keep her busy, when she has a moment Liz also enjoys experimenting with new recipes.

FUN FACT - "I have 10 tattoos, but you would never know it!"

"I believe at any point in your life there may come a time that you need our healthcare services and this Foundation. This work is meaningful to me because I want to help people and I want everyone to have a better experience when going through any sort of medical situation."
