

## Meet Board Member Melissa Page-Webster!

Melissa, owner of Cobequid Dance Academy, Centre Stage Dancewear, co-owner of KickTalkDance Productions, and veteran dance educator, joined the Board at the end of October after wanting to find a meaningful way to connect and give back to her community.

She loves that the Foundation works to ensure that our community has access to efficient, safe and effective health resources and can connect the community in fun and engaging ways while reminding us that we as a community can work together to support our local Health Centre and health professionals.

Melissa enjoys cooking, travelling, and of course, dancing.

**FUN FACT** - If Melissa could be a contestant in any game show, it would be The Price is Right, but only with Bob Barker as a host.

*“What drew me into becoming a Board member was seeing the Foundation’s passion to ensure that the community has access to efficient, safe, and effective health resources.”*
